Over-the-Rhine

Over-the-Rhine is rich with locally-owned, independent businesses. Since 2006, more than 100 new businesses have opened in the neighborhood throughout the Main Street, Central Vine Street, and Findlay Market business districts. Historic Findlay Market is Ohio's oldest continuously operated public market founded in 1852. Increasing numbers of residents and visitors are rediscovering the charms of Over-the-Rhine, home to lively commercial activities, prestigious arts and cultural institutions, a renovated Washington Park, a growing Brewery District, and year-round community events.
